IG RAILING®

#1 Brand of Frameless Glass Railing

IG Railing is making frameless glass railing easy to buy, easy to install, and even easier to love.

Our elegant lighting system is operational from an easy to use app, can play to music, and features nearly unlimited colors in a pleasing manner — no more neighbors asking you to dim the lights, only asking where you got them!

KITS INCLUDE:

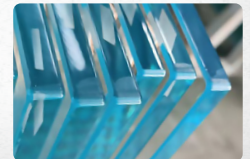

SPIGOTS (Chrome or Black)

LIGHTING KIT

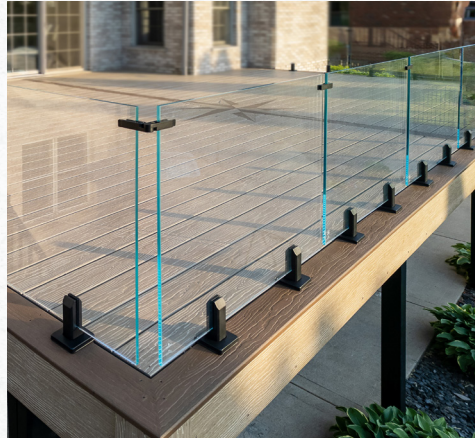

GLASS CLAMPS (Chrome or Black)

IG ARMOR™

Ultimate Protection

GLASS COATING TREATMENT

View Webpage

IG Armor is developed on a patented three-step application process that creates an ultra-low-maintenance glass surface.

Water, ice, snow, bugs, mud, and all that a backyard can dish out are no match for our hydrophobic treatment. Protect your glass for years — with virtually no upkeep.

KIT INCLUDES:

- 8oz Glass Prep
- 8oz Glass Coating Part 1

- 8oz Glass Coating Part 2
- (3) Microfiber Towels
- (1) Pair Nitrile Gloves
